

Gym Bus Open House

Wednesday, September 22nd

3:00 - 6:00

Ms. Heather, who runs a program called Gym Bus, will be conducting an open house on Wednesday, September 22nd. For those not familiar with Gym Bus, it is a completely optional afternoon gymnastics class. She allows any child a free first class on open house day, and she will remain on the bus, which will be parked on our parking lot, that evening to answer any questions from any parents. Attached, you will find her flyer. We are requiring permission this year to participate in the open house/free class. If you do choose to sign your child up for her program, it will then be the following Wednesday, September 29th, although any child can sign up at anytime and be added to her roster. If you need a different day because your child doesn't attend on Wednesdays, Ms. Heather has shared that she is more than happy to accommodate any schedules.

My child, _____

_____ has permission to participate in the gym bus open house

_____ does not have permission to participate in the gym bus open house

Signed _____
