

Sunscreen Permission Form

When we have sunny days and are playing outside in the afternoons, the Love N' Laughter staff would like to apply sunscreen to your child to avoid sunburn! Since we don't apply sunscreen in the morning, make sure to apply protection on your child prior to drop off to ensure they stay safe while playing outdoors in our hot Missouri sunshine!

We will keep this sunscreen permission slip on file throughout the summer and revisit your child's needs again next year. Thanks!

I give Love N' Laughter permission to apply sunscreen to my child, _____, in the afternoons when the children will be outside playing.

I am enclosing \$5.00 for Love N' Laughter to provide sunscreen.

Deduct \$5.00 from our Activity Account for sunscreen

Special Sunscreen: you're your child has sensitive skin, please send in their special sunscreen

Signed: _____
