Dear Parents,

Happy New Year! I have had the pleasure of seeing most of you at drop off or pick up, but for those I haven't actually seen yet, I hope your holiday season was wonderful, and that 2022 brings happiness, joy and prosperity to you and yours. We continue navigating through the challenges of the times, but all in all, I believe we are all doing just fine!

We have lots of fun activities to stay busy during the winter months. A reminder to make sure you have switched out your child's extra clothes to warm ones for the weather. We do try to get outside every day, even if for a short period of time. Please be sure to send weather appropriate coats, hats, mittens, etc. Several of you have purchased the clips to attach mittens/gloves to coats, which are very helpful!

Thank you to everyone who has already turned in registration paperwork for summer/fall 2022. If you have not yet turned that in, please find the form attached. If a sibling will be joining us, this is the time to register him/her as well.

It has been such a pleasure working with each one of you, and your child this past year. We all look forward to continuing this relationship in 2022. Best wishes to everyone for the new year, with days full of love and laughter!

Blessings,
Ms. Kim
